--	--	--------------------------	--------------------------

Automatic Ball Drip Valve
dimensions in mm; weight in kg

TECHNICAL DATA

Drain inlet connection.....1/2" male threaded NPT
 Installation.....Vertically, arrow downward
 Working water pressure.....175 PSI (12.1 bar)
 Closing pressure.....Approx 7 PSI (0.48 bar)
 Body.....Bronze
 Inlet.....Steel
 Ball.....Stainless Steel
 Spring.....Beryllium Copper
 Approvals.....UL/FM

SUPPLIED QUANTITY: 60 PIECES
